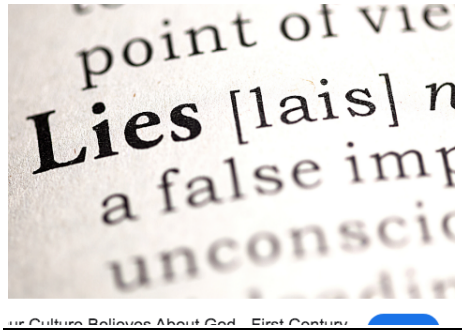
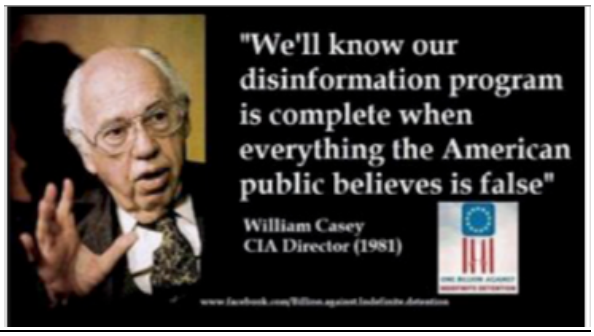
FROM 3I/ATLAS BACK TO THE STORY OF ADAM AND EVE WHO WERE NOT THE FIRST MAN AND WOMAN ON EARTH WE HAVE BEEN LIED TO BY THOSE WHO CONTROLLED THE NARRATIVES





"We'll know our disinformation program is complete when everything the American public believes is false"

Bottom Line

https://www.youtube.com/hashtag/interstellarobject

From the Story of Adam and Eve, mankind has been lied to by those who had the money and power to lie about almost everything. The Bible tells us that human beings were created 6000 years ago, which should tip you off to the fact that the Bible is as about reliable as plugged toilet.

Archeologists are told by these controllars what they can and can't discover or make public. The Smithsonian has been hiding giant bones and who knows what else for as long as they have existed.

Columbus did not discover America.
The moon landing was faked.
We've been lied to about 911.
Lied to about our real human origins and the list goes on and on.

Now we are hearing about 31/ATLAS body coming into our solar system.

Other Dimensional Sky God Council

Jesus had his own council

What you will find when you DO YOUR HOMEWORK is that all of these lies come from bloodline descendents that once lived in the Middle East. Which THEY refer to as the "Cradle of Humanity." Not out THEIRS. THEY took their stories of creation from what THEY call the Sumerian Creation Story, as did the Jews who wrote the Old Testament texts and who probably doctored most of the data in the New Testament. The pre-existing site under ancient Sumer in Mesopotamia has been excavated. It uncovered a massive advanced culture that existed before THEIR flood period where the Noah Story came from. We find that their are many Noah type stories of survivors around the world. These stories buried under ancient Sumer were there long before the Sumerians moved in. It was an advanced culture long before the Sumerian flood period.

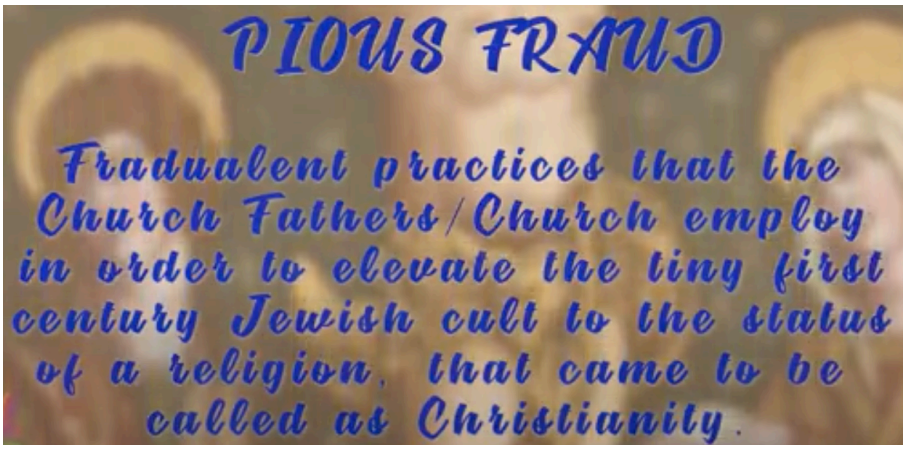
All of the gods worshipped in the Middle and Far East were aliens that met together at what the Bible refers to as the "councils of the gods." Yahweh Ildabaoth the Demerge YHWH a lesser Elohim god of the Jews had a large council and Jesus had his own council of his WATCHERS who were not the FALLEN WATCHERS that are considered Aliens today. These FALLEN WATCHERS come from different Heavens that seem to be found in the Inner Earth, DARK MATTER and through DARK PORTALS. Aliens are associate with the second heaven just above the earth. Jesus is associated with the 3rd heaven or highest heaven where Jesus and our Heavenly Father call home.

<u>I BELIEVE BUT CANNOT PROVE THATORIGINAL MAN WAS PLACED ON EARTH BY JESUS AND OUR HEAVENLY FATHER AN THAT THEY WERE FABULOUS</u>

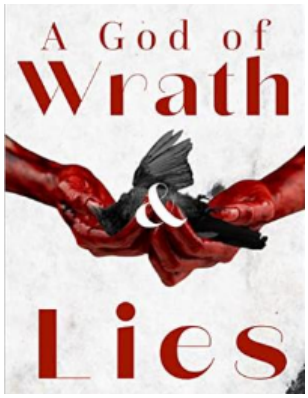
All of these alien gods genetically modified the human race to look like them and then DUMBED THEM DOWN because JESUS

AND OUR HEAVENLY FATHERS ORIGINAL MAN WAS FABULOUS, aliens needed THEY'RE hybrid human races that would kowtow to them, worship and follow their lead if alien rule would once again dominate the world.

YAHWEH ILDABAOTH THE DEMIURGE YHWH WAS AN EVIL ALIEN THAT IS ALSO KNOWN AS THE AUTHOR OF LIES



PIOUS FRAUD
Fraudulent practices that the Church Fathers/Church employ in order to elevate the tiny first century Jewish cult to the status of a religion, that came to be called as Christianity.



Yahweh Ildabaoth the Demiurge YHWH is the god of WRATH

THE MILLENARY FRAUD:
THE BIBLE
• EVIDENCE HAS BEEN FOUND IN THE BIBLE THAT GOD NEVER SPOKE TO ABRAHAM.
• EVIDENCE HAS BEEN FOUND IN THE BIBLE THAT GOD NEVER SPOKE TO MOSES AND THE ISRAELITES ON MOUNT SINAI.
• EVIDENCE HAS BEEN FOUND IN THE BIBLE THAT JESUS WAS NOT THE SON OF VIRGIN MARY.
FRAUD ALERT

Turkish Semite Jewish Hybrid man inner breeding with white races

All national institutions of churches, whether Jewish, Christian, or Turkish, appear to me no other than human inventions set up to terrify and enslave mankind, and monopolize power and profit.

Thomas Paine
The Age of Reason

The Mesopotamian hybrid races survived the last geophysical Pole Shift, Younger Dryas, Food period 12.500 - 9000 years ago to start their tyranny again. Their ideologies were responsible for the destruction of the highly evolved pre-flood world and they are now trying to take over our world once again unless we stop them.

THE LATER SCANDINAVIAN alien Aryan bloodlines that lived in Mesopotamia are symbolically associated with the LION AND BULL symbolism. It looks like they became a hybrid race that also worshipped the alien "gods."

Today we are living in a time referred to as the DAY OF REACONING or as the DAY OF JUDGEENT when Jesus is predicted to be returning with his WATCHERS to do battle over mankind against these ALIEN FALLEN WATCHERS.

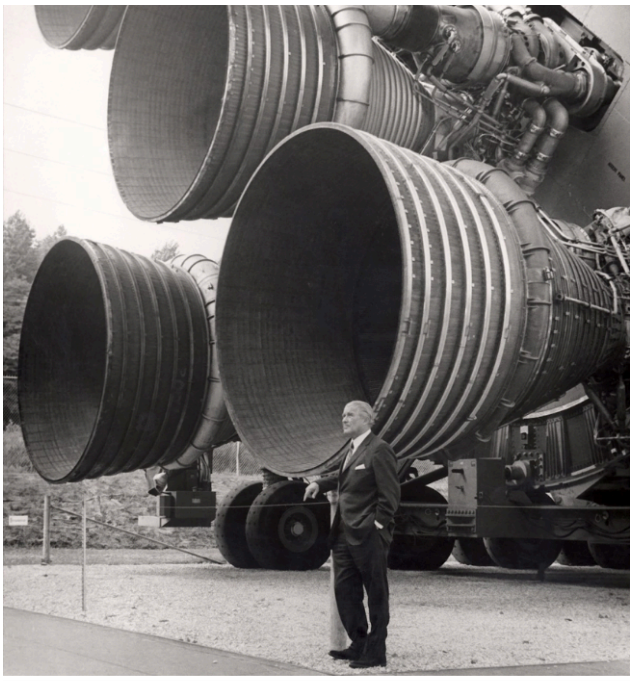
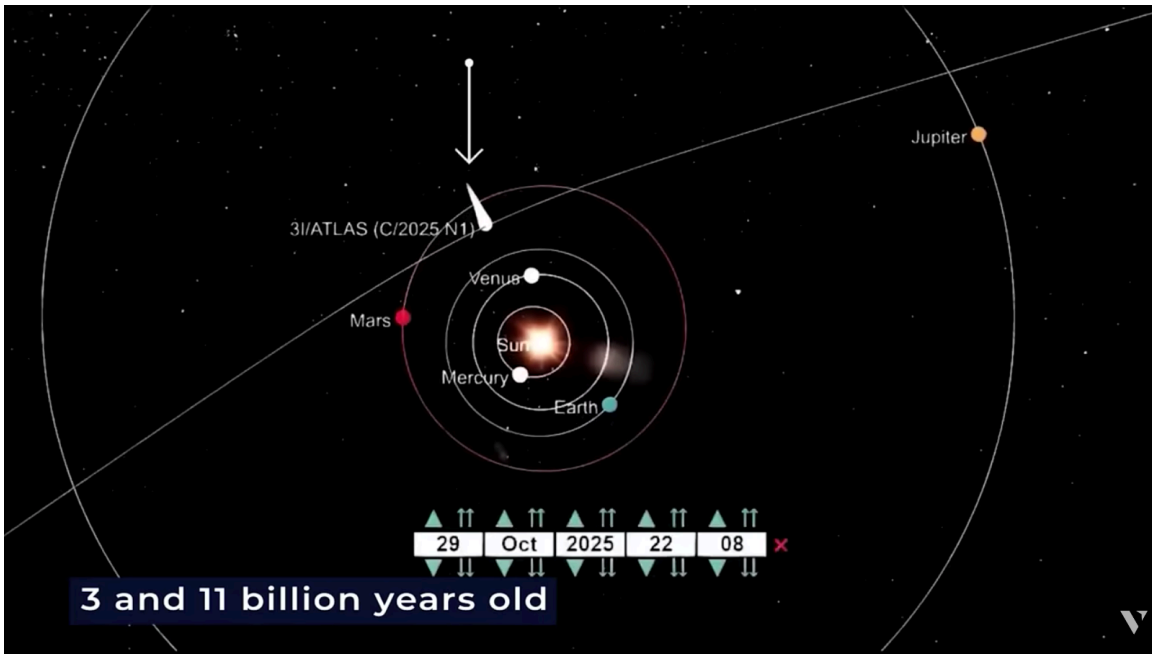
Werner Von Braun head of the Space Program



Dr. Wernher von Braun stands before the five huge Rocketdyne F1 engines developed for the Saturn V rocket that took Americans to the moon. PHOTO: NASA

Wernher von Braun was a pivotal German-American rocket scientist, a key figure in developing Nazi Germany's V-2 ballistic missile during WWII, and later the chief architect of NASA's Saturn V rocket that powered the Apollo moon landings, making him a controversial but essential figure in space exploration history. After the war, he and his team were brought to the U.S. via Operation Paperclip and became instrumental in U.S. missile and space programs, leading NASA's Marshall Space Flight Center.



I DO NOT TRUST AI. It looks to me like the video above is an ÅI version of Michio Kaku. What do you think?

According to this video, the "3I/ATLAS has just done the unthinkable — astronomers now confirm the interstellar object has split into two separate bodies, and one of them has disappeared without a trace. No debris. No clear trajectory. No obvious natural explanation. NASA and Harvard researchers are racing to figure out what triggered this sudden split — and why only one fragment remains detectable. Meanwhile,

Dr. Michio Kaku cautions that this could be the most significant twist in the entire 3I/ATLAS mystery so far. Did 3I/ATLAS fracture on its own… or did something force it to divide? And where did the missing half vanish to? In this video, we break down the new observations, bizarre anomalies, and what scientists fear might happen next. Stay tuned as we dive into the most unsettling 3I/ATLAS discovery to date. Subscribe for more updates on 3I/ATLAS, NASA anomalies, cosmic mysteries, and expert insights from leading scientists.
